Air year collars. The roads are good. Half of the year is almost gone. Ripe peaches from the South are appearing. A berry sherbet is a new refresher for a thirsty day. Some people like to blame others for their own mean tricks. The Pennsylvania G. A. R. men will encamp at Williamsport, Pa., on July 11 to 18. Lime, carbolic acid and other disinfectants should be frequently and liberally used at this season.

OUTBREAK OF BLACK-POX.

The Victims Kept Quarantined Until Shipped to America.

HEMAS, June 30.—Considerable excitement prevails in this and other German cities over the reported outbreak of the disease known as black-pox among the Jewish refugees from Russia.

The disease has already spread to German residents near the frontier, where most of the Jews cross over, and great consternation is felt wherever it has made its appearance. The disease is said to be entirely different from the "black death," which destroyed many persons in Ireland in the early part of 1865, and which had its origin in the East, although the two diseases are somewhat similar in their outward symptoms.

The black-pox is said to be the result of the horrible equator and filth in which many of the immigrants exist at home, and its breaking out is partly consequent on the privations to which they have been subjected.

The German health authorities everywhere are keeping a vigilant outlook to prevent the spread of the disease from the immigrants, against whom, as far as possible, a quarantine is maintained until they are safely shipped to New York.

At Hamburg and Bremen the immigrants are quietly taught by friends not to say anything about Russia on their arrival in America, but to claim that they were Austrian or German subjects. In this way they hope to escape the scrutiny likely to be bestowed on the Russian Jews.

Meetings.

The School Board will hold a regular meeting at the Superintendent's office tomorrow evening.

A regular meeting of the Borough Council will be held on Thursday evening.

Trustees Elected.

At a congregational meeting of the members of the Presbyterian church, held last evening, the following persons were elected trustees: John Cather, H. Wiederhold, Geo. C. Smith, James G. Hutson, H. C. B. yer.

Bursting of a Blood Vessel.

James Morazo, residing on Jun-berry alley, burst a blood vessel while at work in a slope of the Turkey Run colliery last Saturday and died yesterday morning from the effects.

Give Us a Joint Parade.

Representations from all societies interested in a joint parade on July 4th will meet in the A. T. A. B. hall, on Chestnut street, Thursday evening at 7:30 o'clock.

Drawn for September.

The following Shenandoah citizens are expected to do jury duty in September: Grand—C. N. Sampson, Martin Parcell, Petit—George Pillingor, John Cummings, James J. Mallahy, John F. Higgins, P. J. Gaughan, Jacob Davis, Patrick King, Wm. S. Brennan.

A Polo's Escape.

A Polandier returning from the picnic at Columbia Park last evening insisted upon walking in front of a Lehigh Valley passenger train and was struck. The engineer had slackened the speed of the train somewhat and the man escaped with a few bruises. He was bumped and knocked from the track, so that he escaped falling beneath the wheels.

Fireman's Tournament.

The managers of Lakeside Park at East Mahanoy Junction are pitting forth their best efforts to advance that resort to the front rank. The last proposition is to hold a county firemen's tournament there. There are some thirty odd companies in the county and they would no doubt turn out in strong force upon such an occasion. This move meets with the hearty endorsement of our local fire department, and should the project come to a head Shenandoah will give a helping hand to make it a grand success.

An Engineer Injured.

Charles Ladden, who has charge of the machinery in the Wm. Penn colliery breaker, was seriously injured last night, while he was putting a bolt on a fly wheel. His right ear was nearly torn off, his arms were badly wrenched and he was severely bruised about the face and upper part of his body. Dr. Hamilton, of town, was summoned and he found the man suffering from the shock, as well as from the effects of the injuries. Dr. Hamilton remained several hours with the patient and was successful in administering relief that today Ladden was resting comfortably.

MINE NOTES.

The Rate of Wages—Kohinoor Colliery Suspends.

The rate of wages to be paid the miners and laborers of the collieries in this region for the second half of June and first half of July will be 9 per cent. below the \$2.50 basis.

Kohinoor colliery will suspend operations to night until further notice.

ON THE MOVE.

Keep Your Eyes and Ears Open and Watch.

Things will move.

The movement will amount to something when once started.

The result of the first movement will be the erection of one industry at least and that will lead to the starting of others.

The first movement will not be a monster affair, either; but "fall oaks from little scorns grow."

A local committee will shortly visit a number of places now in successful operation to learn something of the *modus operandi*.

It will be found that the thing works all right and the result will be so satisfactory that there will be no difficulty in securing money to put this particular industry upon its feet.

Our advice is that the committee should act promptly. In this age of progress the first man to get to the front is the man "on the ground floor."

Ringtown should be first visited. There is an industry there that has not been awarded a favorable location. There labor is scarce and dear. Shenandoah is the place.

The railway facilities are not the best in Ringtown. In Shenandoah they are all that can be desired.

Shenandoah has plenty cheap fuel, plenty labor, best railway facilities and all goods can be sold without difficulty.

KEEP WATCH.

The Secret of Success.

C. H. Hagenbuch, the druggist, believes that the secret of success is perseverance. There fore he persists in keeping the Best line of perfumeries, toilet articles, cosmetics, drugs and chemicals on the market. At best the largest sale of any similar remedy. Fine box of testimony mail free. Dr. Miles' Restorative Nerve is unsurpassed for a nervousness, headache, fits, etc., and it contains no opiates.

He Was Surgeon of Andersonville Prison.
